Section 1 Changes to Benefits & Costs for Next Year

Section 1.1 Changes to the Monthly Plan Premium

	2025 (this year)	2026 (next year)
Monthly plan premium (You must also continue to pay your Medicare Part B premium.)	\$0	\$0
Part B premium reduction This amount will be deducted from your Part B premium. This means you'll pay less for Part B. If your Part B premium is lower than the reduction amount, you won't get the difference as a cash payment. The reduction only applies to what you owe for Part B.	Up to \$18 Reductions will be applied to your Social Security check or your Medicare Part B premium bill.	Up to \$25 Reductions will be applied to your Social Security check or your Medicare Part B premium bill.

Factors that could change your Part D Premium Amount

- **Late Enrollment Penalty** - Your monthly plan premium will be more if you're required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that's at least as good as Medicare drug coverage (also referred to as creditable coverage) for 63 days or more.
- **Higher Income Surcharge** - If you have a higher income, you may have to pay an additional amount each month directly to the government for Medicare drug coverage.

Section 1.2 Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. This limit is called the maximum out-of-pocket amount. Once you've paid this amount, you generally pay nothing for covered Part A and Part B services for the rest of the calendar year.

	2025 (this year)	2026 (next year)
Maximum out-of-pocket amount	\$2,900	\$2,900
Your costs for covered medical services (such as copayments) count toward your maximum out-of-pocket amount. Your costs for prescription drugs don't count toward your maximum out-of-pocket amount.	Once you've paid \$2,900 out-of-pocket for covered Part A and Part B services, you'll pay nothing for your covered Part A and Part B services for the rest of the calendar year.	Once you've paid \$2,900 out-of-pocket for covered Part A and Part B services, you'll pay nothing for your covered Part A and Part B services for the rest of the calendar year.

For more information on your rights when a network provider leaves our plan, go to Chapter 3, Section 2.3 of your Evidence of Coverage.

Section 1.6 Changes to Part D Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or Drug List. **You can get the complete Drug List** by calling Customer Service at 1-866-231-7201 (TTY users call 711) or visiting our website (myPreferredCare.com). This material will be available online after **October 15, 2025**.

We made changes to our Drug List, which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the Drug List are new for the beginning of each year. However, we might make other changes that are allowed by Medicare rules that will affect you during the calendar year. We update our online Drug List at least monthly to provide the most up-to-date list of drugs. If we make a change that will affect your access to a drug you're taking, we'll send you a notice about the change.

If you're affected by a change in drug coverage at the beginning of the year or during the year, review Chapter 9 of your Evidence of Coverage and talk to your prescriber to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. Call Customer Service at 1-866-231-7201 (TTY users call 711) for more information.

Section 1.7 Changes to Prescription Drug Benefits & Costs

Do you get Extra Help to pay for your drug coverage costs?

If you're in a program that helps pay for your drugs (Extra Help), **the information about costs for Part D drugs may not apply to you.** We sent you a separate material, called the Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs, which tells you about your drug costs. If you get Extra Help, you will receive a LIS Rider. If you don't get this material, call Customer Service at 1-866-231-7201 (TTY users call 711) and ask for the LIS Rider to be sent to you.

Drug Payment Stages

There are **3 drug payment stages**: the Yearly Deductible Stage, the Initial Coverage Stage, and the Catastrophic Coverage Stage. The Coverage Gap Stage and the Coverage Gap Discount Program no longer exist in the Part D benefit.

- **Stage 1: Yearly Deductible**

We have no deductible, so this payment stage doesn't apply to you.

- **Stage 2: Initial Coverage**

In this stage, our plan pays its share of the cost of your drugs, and you pay your share of the cost. You generally stay in this stage until your year-to-date out-of-pocket costs reach \$2,100.

- **Stage 3: Catastrophic Coverage**

This is the third and final drug payment stage. In this stage, you pay nothing for your covered Part D drugs. You generally stay in this stage for the rest of the calendar year.

The Coverage Gap Discount Program has been replaced by the Manufacturer Discount Program. Under the Manufacturer Discount Program, drug manufacturers pay a portion of the plan's full cost for covered Part D brand name drugs and biologics during the Initial Coverage Stage and the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount Program don't count toward out-of-pocket costs.

Drug Costs in Stage 1: Yearly Deductible

The table shows your cost per prescription during this stage.

	2025 (this year)	2026 (next year)
Yearly Deductible	Because we have no deductible, this payment stage doesn't apply to you.	Because we have no deductible, this payment stage doesn't apply to you.

Drug Costs in Stage 2: Initial Coverage

For drugs on Tier 4, your cost-sharing in the initial coverage stage is changing from a copayment to coinsurance. Go to the following table for the changes from 2025 to 2026.

Coinsurance is a portion or part of the total cost, typically as a percentage. With this plan, you pay part of the cost of Tier 4 and Tier 5 drugs. For example, if your coinsurance is 25% and the total cost of your prescription is \$100, you would pay \$25. The plan pays the rest.

The table shows your cost per prescription for a one-month (30-day) supply filled at a network pharmacy with standard cost sharing.

We changed the tier for some of the drugs on our Drug List. To see if your drugs will be in a different tier, look them up on the Drug List. Most adult Part D vaccines are covered at no cost to you. For more information about the costs of vaccines, or information about the costs for a long-term supply or for mail-order prescriptions, go to Chapter 6 of your **Evidence of Coverage**.

Once you've paid \$2,100 out of pocket for covered Part D drugs, you'll move to the next stage (the Catastrophic Coverage Stage).

¹ In 2025 and 2026, you pay no more than \$0 for each 1-month supply of Part D covered insulin drugs.

Changes to the Catastrophic Coverage Stage

If you reach the Catastrophic Coverage stage, you pay nothing for your covered Part D drugs. You may have cost sharing for excluded drugs that are covered under our enhanced benefit.

For specific information about your costs in the Catastrophic Coverage Stage, go to Chapter 6, Section 6, in your **Evidence of Coverage**.

Section 2 Administrative Changes

	2025 (this year)	2026 (next year)
Emergency care - Worldwide reimbursement	Foreign emergencies and urgently needed services are covered while you are travelling. Payment requests from intermediaries, claims management companies or third-party billers for services received outside of the United States are not reimbursable.	Foreign emergencies and urgently needed services are covered while you are travelling. Payment requests from intermediaries, claims management companies or third-party billers for services received outside of the United States are not reimbursable. The EOC now includes some additional instructions on how to get foreign services directly reimbursed to you or the provider. Please see Chapter 7 Section 1 of the EOC for complete information.
Medicare Prescription Payment Plan	The Medicare Prescription Payment Plan is a payment option that began this year and can help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January-December). You may be participating in this payment option.	If you're participating in the Medicare Prescription Payment Plan and stay in the same Part D plan, your participation will be automatically renewed for 2026. To learn more about this payment option, call us at 1-866-231-7201 (TTY users call 711) or visit Medicare.gov.
Transplant services - Travel & lodging	If you receive an in-network transplant at a location outside your local community pattern of care, some travel and lodging expenses related to your transplant may be covered.	The EOC has been updated to include more details explaining allowable transplant-related travel and lodging expenses. Please see Chapter 4, Section 3 of the EOC for more details.

Section 3 How to Change Plans

To stay in our plan, you don't need to do anything. Unless you sign up for a different plan or change to Original Medicare by December 7, you'll automatically be enrolled in our UHC Preferred Medicare Advantage FL-0001 (HMO).

If you want to change plans for 2026 follow these steps:

- **To change to a different Medicare health plan**, enroll in the new plan. You'll be automatically disenrolled from UHC Preferred Medicare Advantage FL-0001 (HMO).
- **To change to Original Medicare with Medicare drug coverage**, enroll in the new Medicare drug plan. You'll be automatically disenrolled from UHC Preferred Medicare Advantage FL-0001 (HMO).
- **To change to Original Medicare without a drug plan**, you can send us a written request to disenroll or visit our website to disenroll online (myPreferredCare.com). Call Customer Service at 1-866-231-7201 (TTY users call 711) for more information on how to do this. Or call Medicare at 1-800-MEDICARE (1-800-633-4227) and ask to be disenrolled. TTY users can call 1-877-486-2048. If you don't enroll in a Medicare drug plan, you may pay a Part D late enrollment penalty (go to Section 1.1).
- **To learn more about Original Medicare and the different types of Medicare plans**, visit [Medicare.gov](https://www.Medicare.gov), check the **Medicare & You 2026 handbook**, call your State Health Insurance Assistance Program (go to Section 5), or call 1-800-MEDICARE. As a reminder, UnitedHealthcare Insurance Company or one of its affiliates offers other Medicare health plans AND/OR Medicare drug plans. These other plans can have different coverage, monthly plan premiums, and cost-sharing amounts.

Section 3.1 Deadlines for Changing Plans

People with Medicare can make changes to their coverage from **October 15 – December 7** each year.

If you enrolled in a Medicare Advantage plan for January 1, 2026, and don't like your plan choice, you can switch to another Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) between January 1 – March 31, 2026.

Section 3.2 Are there other times of the year to make a change?

In certain situations, people can have other chances to change their coverage during the year. Examples include people who:

- Have Medicaid
- Get Extra Help paying for their drugs
- Have or are leaving employer coverage
- Move out of our plan's service area

If you recently moved into or currently live in an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for 2 full months after the month you move out.

Section 4 Get Help Paying for Prescription Drugs

You can qualify for help paying for prescription drugs. Different kinds of help are available:

- **Extra Help from Medicare.** People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly drug plan premiums, yearly deductibles, and coinsurance. Also, people who qualify won't have a late enrollment penalty. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048, 24 hours a day, 7 days a week;
 - Social Security at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday - Friday for a representative. Automated messages are available 24 hours a day. TTY users call 1-800-325-0778.
 - Your State Medicaid Office.
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible people living with HIV/AIDS have access to life-saving HIV medications. To be eligible for the ADAP operating in your state, you must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/under-insured status. Medicare Part D drugs that are also covered by ADAP qualify for prescription cost-sharing help through the ADAP in your state. For information on eligibility criteria, covered drugs, how to enroll in the program, or if you're currently enrolled, how to continue getting help, call the ADAP in your state. You can find your state's ADAP contact information in Chapter 2 of the **Evidence of Coverage**. Be sure, when calling, to inform them of your Medicare Part D plan name or policy number.
- **The Medicare Prescription Payment Plan.** The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January – December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs.**
- Extra Help from Medicare and help from your ADAP, for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan. All members are eligible to participate in the Medicare Prescription Payment Plan, regardless of income level. To learn more about this payment option, call us at 1-866-231-7201 (TTY users call 711) or visit Medicare.gov.
